

TY Newsletter

September/October 2025

Welcome from the TY Coordinator

What a great start to our Transition Year! September and October have flown by, packed with trips, workshops, and plenty of fun. We kicked things off with hairdressing, pizza-making, and barista workshops — giving students a chance to try out new skills and maybe discover some hidden talents!

One of the biggest highlights was our two-day adventure to Coláiste Uisce in the west of Ireland, where everyone got a real taste of a taste of what the west of Ireland has to offer — from surfing and sea activities to team challenges and new friendships. A huge thanks to all the staff, parents, and students who made it such a brilliant beginning to the year!

A special shoutout to Doireann Ní Mhurchadha, Robyn McSherry, Lloyd McLellan, Holly Harding, Ava O'Callaghan, Wiktoria Dawczynska, Mikolaj Bommerbach, and Evelina Penike on getting accepted to the Tenderfoot Programme. We look forward to the live show in January.

Pizza work shop

We welcomed Fabio back to teach us pizza making skills.

Virtual Gaming

Students explored the world of VR.

Hairdressing and Barbering Workshop

Students learned new barbering skills and styling tricks!

DRIVING PROGRAMME
